ADJOURN

Memorandum

To: Carl Geffken, City Administrator
Cc: Jeff Dingman, Deputy City Administrator
John Cooley, CPIC Chairman
From: Wally Bailey, Director of Development Services
Date: October 7, 2016
Subject: Comprehensive Plan Implementation Committee

At the July meeting of the Comprehensive Plan Implementation Committee (CPIC) a presentation was made by the Gateway Planning team. The meeting was also attended by some members of the City Board of Directors. At the meeting, it was suggested that a future joint meeting of the CPIC and the Board of Directors occur to discuss issues or items relevant to the 2017 budget preparation and discussion.

The joint meeting of the CPIC and Board of Directors scheduled for the October 11th study session will allow the Board and the CPIC to discuss Comprehensive Plan implementation efforts and strategies as the City begins the 2017 budget preparation.

We are currently working on a suggestion from the CPIC to better present information to citizens concerning projects related to the Future Fort Smith Comprehensive Plan. For example, create consistent capital improvements project signage, social media presence, and information on our website that will show the citizens the connection of a specific project or initiative to the Future Smith Comprehensive Plan.
