MEMORANDUM

To: Ray Gosack, Acting City Administrator
From: Matt Jennings, Director of Community Development
Copy: Wally Bailey, Director of Development Services
Date: November 12, 2010
Subject: 5-Year Consolidated Plan (Program Years 2011-2015)

The Five Year Consolidated Plan is ready for the final public hearing. The notice was published in the legal notices section of the Times Record; other notices were mailed and emailed. I am requesting that in the interest of keeping copies to a minimum, the final consolidated plan submitted with the study session packet be used for the voting session. A copy of the plan is on the City Website at: http://www.fortsmithar.gov/CommunityDevelopment/files/Fort%20Smith_Con_Plan_FINAL_2011-2015.pdf. Additionally, copies are available at the City Clerk's office, the Planning and Community Development office and all public libraries.

Once the public hearing is closed, a resolution is attached for consideration by the Board of Directors which would approve the plan and authorize its submission to the U. S. Department of Housing and Urban Development.

As requested by Director Tyler at the study session, a summary of activities and beneficiaries follows this memo.

The Community Development Advisory Committee has recommended approval to the Board of Directors at the October 13, 2010 meeting.

Should you have any questions or comments, please let me know.

Re: Five Year Consolidated Plan for Program Years 2011-2015

As you are aware, each entitlement city that receives funding from the Department of Housing and Urban Development is required to prepare a Consolidated Plan which defines the goal, objectives and strategies and performance measures with input from our citizens. The plan describes how these CDBG and HOME funds granted to the city will be expended over the next five year period. CDBG and HOME are operated on a July 1 – June 30 program year. The final document of the subject plan is enclosed for review.

The plan describes the consolidated plan development process, the demographic and economic profile, the housing market analysis, the housing and homeless needs assessment, the community development needs assessment and finally the strategic plan.

The Executive Summary (pages 1—7) provides a description of how the CDBG and HOME funding will be spent over the next five program years for affordable housing, homelessness, special needs, non-housing community development, an anti-poverty strategy and coordination with other housing and community development agencies and organizations. The significant changes from the previous plan (2005-2010) as it relates to CDBG funding is to: *1. Increase homelessness funding from 10% to 15%. 2. Explore the use of a Section 108 loan to assist with the building of a homelessness campus. 3. Increase the amount of funding from the CDBG community development from 60% to 80% of the allocation for the Fort Smith Housing Assistance Program to continue to preserve the older owner-occupied housing stock and revitalize our core neighborhoods.*

With CDBG funds, the plan maintains public service funding at 15% which is the regulatory maximum that can be spent towards those project types. The community development category and un-programmed funding were reduced by 2.5% each to increase the homelessness category. The percentages will be 15% Homelessness, 15% Public Service, 47.5% Community Development/Housing, 20% Administration and 2.5 % for un-programmed funds.

HOME funds will continue with the same percentages with goals to increase affordable housing opportunities to move families that are mortgage ready from renters to homeownership. The percentages are 75% for affordable housing, 15% for Community Housing Development Organization (CHDO) set-aside (regulation minimum) and 10% for administration (regulation maximum).

The consolidated plan is a result of two public hearings and 152 surveys completed by citizens as well as agencies that traditionally provide services to low income families and individuals. A 30 day review and comment period for the consolidated plan expired on November 1, 2010 at 4:00 p.m. No comments were received during the 30 day review period. The plan is posted on the city web page and is available in hard copy at the city planning and community development office.

Beginning on August 5, 2010, numerous notices were published in the Times Record, the Lincoln Echo and the Hispano Unidos newspaper publications. Additionally, Rev. U. C. Washington assisted us with distributing notices through the ministerial alliance, notices were sent through Wardell Henley with NSTBG, Carolyn Plank for distribution through the neighborhood association, email notices, letters and notices mailed out to people and the media on the Citizen Participation list, documents on the website and the city access channel. The detailed documentation of the public involvement process is on Pages 129-166.

At the conclusion of the public hearing presentation of the draft consolidated plan on the October 13, 2010, the Community Development Advisory Committee (CDAC) met and recommended approval to the Board of Directors for the consolidated plan. CDAC members in attendance were Fran Hall, Chairperson, Yvonne Keaton-Martin, Kerry Norman, George Willis, Rebecca Timmons and Ginia Smith. Cinda Rusin was absent.

To reduce costs in the hiring of a consultant to assist with the preparation of the consolidated plan, the city participated with the Cities of Bentonville, Conway, Jacksonville and West Memphis to achieve economies of scale. The cities asked that the City of Fort Smith be the lead city in the Arkansas HUD Entitlement Cities Consortium. Western Economic Services, LLC provided the consultant services and the Fort Smith share was \$31,987.24 which is paid out of the federal funds. The HUD Little Rock Field office intends to submit the process to the HUD headquarters in Washington, D.C as a "Best Practice" item.

Should you have any questions, comments or need additional information, please let me know.

CITY CLERK

MEMORANDUM
November 10, 2010

TO: Ray Gosack, Acting City Administrator

FROM: Cindy Remler, City Clerk 

RE: Certification of Delinquent Property Cleanup Liens

The attached ordinance certifies to the Sebastian County tax collector a total of \$167,269.41 in delinquent property cleanup liens associated with those properties abated or structures demolished by the City of Fort Smith over the last year. Each lien includes a 10% penalty. There are 176 property owners involving 210 properties with delinquent liens. There were 187 delinquent liens certified to the county in 2009 totaling \$156,959.31.

PROPERTY OWNERS APPEAL BOARD HEARINGS

Hearings before the appeal board were held on September 27th and 29th in the Bartlett Community Room at the Fort Smith Police Department. Notification of the hearings was by certified mail and publication in the Times Record. Three property owners attended the hearings, and the minutes are attached.

NOVEMBER 16th BOARD OF DIRECTORS MEETING

As required by law, notice of the meeting was provided to the property owners by certified mail, and publication in the Times Record four consecutive weeks prior to the meeting. As of this date, no property owner has indicated they will attend the meeting. Neighborhood Services staff along with Karen Lewis, appeal board chair, will also be present to answer any questions.

Upon approval of the ordinance, a copy will be forwarded to the tax collector, and the liens will be placed on the tax records for the year 2009 (for collection in 2010).

If you or members of the board have any questions prior to the meeting, please let me know.

MINUTES OF PROPERTY OWNERS APPEAL BOARD HEARINGS

SEPTEMBER 27, 2010 AND SEPTEMBER 29, 2010 ~ 6:00 P.M.

FORT SMITH POLICE DEPARTMENT ~ BARTLETT COMMUNITY ROOM

The hearings were held to allow delinquent property owners an opportunity to be heard regarding charges by the City for abatement costs and who feel they have been wrongly charged. Notice of the hearings was published in the Times Record on Friday, August 27, 2010, and certified letters dated August 17, 2010 were also mailed to each property owner.

MONDAY ~ SEPTEMBER 27, 2010

The hearing was called to order by Karen Lewis, Chairperson, with the following members of the appeal board present: Karen Lewis, Scott Monroe, Dolores Chitwood, Sherry McKinney and Megan Raynor. A quorum was declared. Also present were members of the City staff: City Clerk Cindy Remler, Assistant City Clerk Sherri Gard, Building Official Jimmie Deer, Neighborhood Services Supervisor Rick Ruth, and inspectors Dean Polk, Kelly Arnold, Bill Striplin and Randal Hicks.

Chairperson Lewis stated the purpose of the hearings, and then each member of the appeal board introduced themselves, advising of how long they have been property owners in Fort Smith.

The following property owners were present:

- **John Howard**
3304 South 91st Street, Fort Smith
Property: 819 Belle Avenue
Owner: William E. Brown, deceased
Cleaned: December 29, 2009 / \$299.98

Property Owners Appeal Board - September 2010

Neighborhood Services Supervisor Rick Ruth presented the inspection video and reviewed the property file. The property was inspected on October 30, 2009 and posted for overgrowth, trash and debris, and dead limbs in the front, back and alley. At that time, the property maintained no water service. Notice was posted on the property and a certified letter mailed to the owner of record, Mr. William E. Brown, whereby such was returned unclaimed. (It was unknown at the time that Mr. Brown was deceased.) The property was again inspected on December 10, 2009. The violations had not been addressed; therefore, the property was assigned to a contractor for abatement and such was completed on December 29, 2009.

Mr. Howard advised multiple homeless individuals have moved in and out of the structure for several years with no utility connections. His elderly mother resides at 818 Belle Avenue, across the street from the subject property; therefore, he has initiated action to obtain ownership of the property whereby two-thirds of Mr. Brown's heirs have already executed deeds making him a partial owner. One additional deed is required for full ownership and such is scheduled to be accomplished next month via court action. He has paid the taxes on the property since January 2008 and has recently contracted with True Green Landscaping to maintain the property on a regular basis.

Appeal Board Action

The appeal board expressed appreciation to Mr. Howard for his recent action to obtain ownership and maintain the property, but such does not negate the fact that the City cleaned the property.

Chitwood, seconded by Raynor, moved that the lien remain in full (\$299.98) and that same be forwarded to the Sebastian County tax collector for placing on the tax records. The members all voting aye, Chairperson Lewis declared the motion carried.

There being no further business to come before the appeal board, McKinney moved that the hearing adjourn. The motion was seconded by Chitwood and the members all voting aye, Chairperson Lewis declared the motion carried and the hearing adjourned.

Property Owners Appeal Board - September 2010

WEDNESDAY ~ SEPTEMBER 29, 2010

The hearing was called to order by Karen Lewis, Chairperson, with the following members present: Karen Lewis, Scott Monroe, Dolores Chitwood, Sherry McKinney and Megan Raynor. A quorum was declared. Also present were members of the City staff: City Clerk Cindy Remler, Assistant City Clerk Sherri Gard, Building Official Jimmie Deer, Neighborhood Services Supervisor Rick Ruth, and inspectors Dean Polk, Kelly Arnold, Bill Striplin and Randal Hicks. Ward 2 City Director Andre' Good was also in attendance.

Chairperson Lewis stated the purpose of the hearings, and then each member of the appeal board introduced themselves, advising of how long they have been property owners in Fort Smith.

The following property owners were present:

- **Natalie Turner**
P.O. Box 11223, Fort Smith
Property: 1913 South 16th Street
Owner: Natalie Turner
Cleaned: May 11, 2009 ~ \$210.53
June 18, 2009 ~ 238.80

Note: Ms. Turner did not address the Appeal Board as she discussed the above noted cleanings with Inspector Dean Polk prior to the start of the hearing and agreed to pay the total amount due within the week.

- **Troy D. Plank**
200 North 39th Street, Fort Smith
Property: 3310 North 28th Street
Owner: Troy D. Plank
Cleaned: March 9, 2010 ~ \$432.04

Neighborhood Services Supervisor Rick Ruth presented the inspection video and reviewed the property filed. The property was inspected on January 6, 2010 and posted for trash and debris, and dead limbs in the front, side and back of the

Property Owners Appeal Board - September 2010

property. A certified letter was mailed to Mr. Plank on January 7 and Mr. Plank signed for the letter on January 13. The property remained in violation as of January 27 whereby a legal search was initiated and a certified letter was mailed to the mortgage holder on January 28. Said letter was signed on February 8. The final inspection took place on February 15 and the violations has not been addressed; therefore, the property was assigned to a contractor for abatement. All violations were abated by the contractor on March 9.

Mr. Plank addressed the appeal board and alleged he called Neighborhood Services on multiple occasions advising of his intent to clear the violations; however, the City cleaned the property before he could complete the work. The property was sold in April 2010 and the new owners indicated their intent to demolish the structure; therefore, he utilized his available time after work to clear everything out of the house and time was limited due to no electric service at the structure.

Ms. Chitwood inquired if the City's file contained a record of phone calls received.

Mr. Ruth advised general conversations are not noted within the file; however, phone calls are included if pertinent information is exchanged such as requests for an extension. The file for the subject property contains no record of any phone calls from Mr. Plank.

There was brief discussion regarding the status of the aforementioned demolition whereby Building Official Jimmie Deer noted that a demolition permit was issued on April 27 and demolition occurred in May. He further noted that the property was purchased by the Housing Authority, and a house has been constructed on the lot.

Appeal Board Action

The appeal board expressed concern that Mr. Plank utilized his available time to clear out contents within the structure rather than abate the subject violations, of which they felt he was aware of the deadline to complete.

Monroe, seconded by McKinney, moved that the lien remain in full (\$432.04) and that same be forwarded to the Sebastian

Property Owners Appeal Board - September 2010

County Tax Collector for placing on the tax records. The members all voting aye, Chairperson Lewis declared the motion carried.

- **Carolyn Connor**
1902 North 29, Van Buren
Property: 1735 North 13th Street
Owner: Carolyn Connor
Cleaned: May 20, 2009 ~ \$239.75
June 26, 2009 ~ \$187.78
August 4, 2009 ~ \$226.78
September 30, 2009 ~ \$222.78

Inspector Bill Striplin reviewed the property file and inspection videos for each cleaning. The property was first inspected on April 22, 2009 and found to be in violation for overgrowth. A certified letter was forwarded on April 22 and Mr. Justin Boswell signed for such on April 27. The property was reinspected on May 4 and no action had been taken by the property owner; however, he granted an automatic 7 day extension to allow completion of a legal search for potential mortgage holders. Upon completion of the extension, the property remained in violation; therefore, such was assigned to a contractor and the first cleaning took place on May 20.

Due to the cleaning on May 20, no formal notification was required for the subsequent cleanings; however, Mr. Striplin advised that the property has been cleaned multiples times every year since Ms. Connor purchased the property in 2000. The City has already cleaned the property 3 times in 2010 and if reimbursement is not received, such will be included in next year's appeal process.

Ms. Connor addressed the Board stating she is legally blind and on a fixed income; therefore, she simply could not afford to hire someone to maintain the property. She has offered to convey the property to the City of Fort Smith; however, she was informed by the City Attorney that the City did not wish to acquire the property.

City Clerk Cindy Remler advised this property contains 18 cleanup liens which total over \$8,800 and such includes a 2004 demolition for approximately \$5,000. Several of the liens were certified to the Sebastian County Collector; however,

Property Owners Appeal Board - September 2010

since this property was included in a foreclosure action by the City in 2007, the liens were removed from the county. During the foreclosure action, the City discovered that the property had been forfeited to the State of Arkansas; therefore, the City ceased its foreclosure action to await the state process to sale the property in hopes to recoup the City's cost at the time the property is sold.

Mr. John Gaffney recently contacted the City Clerk's Office advising he purchased the property from the state and requested the liens be released as he was unaware they existed. Since he purchased the property via the state process, he is merely a partial owner along with Ms. Connor, unless he proceeds with quiet title action or Ms. Connor assigns her portion of the property to him.

The appeal board discussed the matter with Ms. Connor advising her that, as co-owners of the property, she and Mr. Gaffney are responsible for the upkeep of the property.

Appeal Board Action

McKinney, seconded by Raynor, moved that the full amount of the subject liens (\$877.09) be forwarded to the Sebastian County Tax Collector for placing on the tax records. The members all voting aye, Chairperson Lewis declared the motion carried.

There being no further business to come before the appeal board, Lewis moved that the hearing adjourn. The motion was seconded by Monroe, and the members all voting aye, Chairperson Lewis declared the motion carried and the hearing adjourned.

Re: Oak Cemetery Commission, reduce number of members to nine

The Oak Cemetery Commission was formed to assist in the preservation, harmony and beauty of Oak Cemetery, and to safeguard each lot or grave with sanctity. The Commission organizes Tales of the Crypt each year and makes recommendations for the operation and maintenance of the cemetery including restoration of monuments, copings, and statutes. Members serve three year terms.

The Commission recommends that the number of members be reduced from eleven (11) to nine (9) because the larger number is not needed to make recommendations and conduct business. The number of Commission members was increased from seven (7) to nine (9) members in 2006 then to eleven (11) in 2007. This recommendation comes at a good time as two members are not applying to continue on the Commission. Those two members are on different rotations of four members which will leave all three rotations with three members.

I recommend approval of this ordinance. Please contact me if you have any questions regarding this matter.

AND AUTHORIZING CONTINUATION OF AGREEMENT WITH
DATA-TRONICS CORP.

BE IT ORDAINED AND ENACTED BY THE BOARD OF DIRECTORS OF THE
CITY OF FORT SMITH, ARKANSAS, THAT:

SECTION 1: The City Administrator is hereby authorized to continue the
agreement between the City of Fort Smith and Data-Tronics Corp. for the period
January 1, 2011 through December 31, 2011 which agreement authorizes Data-Tronics
Corp. to provide data processing services to the City at the rates indicated in the Data

November 8, 2010

TO: Ray Gosack, Acting City Administrator

FROM: Kara Bushkuhl, Director of Finance *Kara*

SUBJECT: Data Processing Agreement with Data-Tronics

Attached is correspondence from Ms. Cindy House of Data-Tronics regarding the renewal of the contract between the City and Data-Tronics for providing data processing services. DTC is very cognizant of the present state of the economy, and as such, has not recommended any increase in rates for 2011.

I recommend the continuation of the contract with Data-Tronics and respectfully request that the attached ordinance be placed for Board consideration at its November 16, 2010 meeting. If you have any questions, please let me know.

September 30, 2010

Ms. Kara Bushkuhl

City of Fort Smith

Data-Tronics Corp.

data-tronics.com

Dear Kara:

As specified under the Term of the contract between Data-Tronics Corp. and the City of Fort Smith, the Data Processing agreement will automatically renew each January 1 unless either party has previously provided the other with an eighteen-month advance notice in writing of canceling the agreement.

Each year at this time we review our contract with the City of Fort Smith. This year Data-Tronics will not be taking a rate increase. This year's schedule looks a little different because several items were removed. The charges for Microfiche were removed since the City no longer receives any microfiche. Also the section for Application Data Files was removed since we now use DB2 as the data storage mechanism for most City systems. This platform allows us to provide straight data files for the City's use with minimal effort.

Under the Network section the Annual P-Synch License Maintenance Fee of \$166.80 appears. As a reminder this charge applies to the City of Fort Smith's use of the password-reset tool for maintaining Data-Tronics issued network and mainframe passwords. This fee covers the annual maintenance cost for 120 City of Fort Smith people at \$1.39 each.

I have enclosed two copies of the 2010 Data Processing Service Schedule for your review which reflects the charges and rates for 2011. Please sign both copies and return them to me for Data-Tronics to sign, after which I will return a signed copy of the schedule for your files.

If you have any questions after reviewing the Data Processing Service Schedule, please feel free to give me a call. As always, we appreciate your business. The City of Fort Smith is a valued customer, and we are always willing to assist you in any way possible.

Sincerely,

Memo:

November 12, 2010

To: Ray Gosack, Acting City Administrator
From: Mike Alsup, Director of Parks and Recreation *Mike Alsup*
Re: Western Arkansas Tennis Association request for fee changes

The Parks and Recreation Commission recommend that the fees requested by Western Arkansas Tennis Association, WATA, be approved. WATA operates the tennis center at Creekmore Park and has successfully promoted the sport with classes, leagues, and tournaments. The fees are requested to cover the cost of staffing and programming the center. The Creekmore tennis courts are very popular and used extensively for organized and open play. The City also provides four tennis courts at Tilles Park; there are no fees to use these courts.

If approved by the Board of Directors, this resolution will supersede resolution 16-06 which established the current fees. The fees for high school and college use have not changed from resolution 16-06. The request is to establish a membership system which would allow members to make reservations for the courts on-line, over the phone, or in person. Individuals or families can choose from a yearly, six month, or three month time frame for membership. When not scheduled, the courts are open to the public on a first come first served basis. At least one court is left open to the public most of the time. The exception is during times scheduled for the University of Arkansas Fort Smith and the high schools to practice and play their games, and during league play.

I recommend approval of this ordinance. Please contact me if you have any questions regarding this matter.

ADJOURN

MINUTES OF BOARD OF DIRECTORS REGULAR MEETING

TUESDAY ~ NOVEMBER 16, 2010 ~ 6:00 P.M.

FORT SMITH PUBLIC SCHOOLS SERVICE CENTER

The meeting was called to order by Mayor Ray Baker, presiding. Invocation was given by Director Don Hutchings, followed by the Pledge of Allegiance. On roll call the following members of the Board were present: Directors Steve Tyler, Andre' Good, Don Hutchings, George Catsavis, Gary Campbell and Kevin Settle; absent - Director Cole Goodman. The Mayor declared a quorum present.

The Mayor inquired if any Board member had an item of business to present that was not already on the agenda. There was none presented.

The minutes of the November 2, 2010 regular meeting were presented for approval. Settle, seconded by Good, moved approval of the minutes as written. The members present all voting aye, the Mayor declared the motion carried.

Item No. 1 consisted of the following presentations:

- Mayor Baker, the Board and Administration, presented a framed collage of photos of the Umarex facility, along with a rose, to Adam Blaylock, C.E.O. of Umarex U.S.A., Inc. to commemorate the recent opening their new Fort Smith plant.
- Mayor Baker announced that the City of Fort Smith Development Services Department was recently awarded the *2010 Community Service Award* by the International Code Council. Such recognizes the department's efforts to go above and beyond normal expectations to improve the community; therefore, he presented the plaque proclaiming same to Director of Development Services Wally Bailey.

The Mayor welcomed newly elected Ward 4 Director George Catsavis, who was sworn into office by District Court Judge Claire Borengasser prior to the meeting.

November 16, 2010 Regular Meeting

With regard to the time limit policy for persons wishing to address the Board, Mayor Baker communicated that five (5) minutes per side would be extended on controversial items with three (3) minutes for rebuttal per side.

Mayor Baker announced that this was the time and place set for a public hearing regarding the Five-Year Consolidated Plan for Program Years 2011 - 2015 for the City of Fort Smith, Arkansas and authorizing its submission to the United States Department of Housing and Urban Development (HUD). Notice of the public hearing had been duly published as required by law. Following the public hearing, consideration of a resolution authorizing same would be given (Item No. 2).

Acting Administrator Ray Gosack briefed the Board on the item as discussed at the November 9, 2010 study session. The Community Development Advisory Committee has reviewed the proposed Five-Year Consolidated Plan and recommend its approval.

There being no individual present to speak, Mayor Baker closed the public hearing.

Director Hutchings commented on the multiple avenues utilized to ensure public notification of the proposed plan; therefore, he expressed much appreciation to Community Development staff for their notification efforts.

Director Good noted the plan includes funding for homeless services; therefore, he requested staff provide clarification that said funding does not come from the City's General Fund.

Mr. Gosack clarified such and noted that said services are made possible due to an allocation from the federal government for Community Development Block Grant purposes, of which homeless services are an authorized use.

November 16, 2010 Regular Meeting

Settle, seconded by Good, moved approval of the resolution. The members present all voting affirmatively, the Mayor declared the motion carried and the resolution was adopted and given No. R-201-10.

Mayor Baker announced that this was the time and place set for a public hearing to certify to the Sebastian County Tax Collector delinquent property cleanup liens. Notice of the public hearing had been duly published as required by law. Following the public hearing, consideration of an ordinance authorizing same would be given (Item No. 3).

City Clerk Cindy Remler briefed the Board on the item. The ordinance certifies \$167,269.41 in delinquent property cleanup liens associated with properties cleaned or structures demolished by the City of Fort Smith. Such is approximately \$10,000 more than was certified in 2009 and consists of 210 properties with 176 property owners. Hearings were held before the Property Owners Appeal Board (POAB) on September 27th and 29th, with three (3) individuals present to appeal the liens. Upon approval, the ordinance will be forwarded to the Sebastian County Tax Collector and the liens placed on the tax records for 2010, to be collected in 2011. Each lien includes a 10% penalty. The motion for approval of the ordinance should include removal of those liens which have been paid since preparation of the ordinance for the meeting packet.

The following individual was present to address the Board:

- Loren and Peggy Schmidt
4100 Morris Drive

Re: Advised they recently purchased the property from Arkansas State Lands and was unaware of the liens included within the proposed ordinance. Multiple liens were paid at the time of the purchase; therefore, they alleged payment to the City should have been received.

November 16, 2010 Regular Meeting

The subject cleanings took place prior to their ownership; therefore, they requested a reduction in the fees and conveyed opposition to the amounts due citing the fees are "excessive".

At the request of Director Good, Ms. Remler briefly reviewed the appeal process and verified that the aforementioned payment had been received; however, such payment was for cleanings in past years and not the cleanings included within the proposed ordinance. All notifications regarding the appeal hearings were forwarded to the previous owner, Enterprise Corporation of the Delta, which all notifications were returned unclaimed.

Neighborhood Services Supervisor Rick Ruth advised that notices from his department were also forwarded to the previous owner and returned unclaimed as well; however, as required by law, a notice was also posted on the property. He noted that the property has been cleaned multiple times since 2006; however, no property cleanup violations have occurred since the Schmidt's ownership.

After brief discussion, Ms. Remler advised the Schmidt's did not attend the public hearings; however, POAB Chairperson Karen Lewis, who was in attendance, indicated the POAB is scheduled to meet on December 13. If the Board so desires to remove the property from the ordinance and refer back to the POAB for consideration, an appeal could be heard at that time. If the POAB determines the liens should remain in tact and be certified to the Sebastian County Collector for collection, an additional ordinance authorizing same could be presented for consideration at the December 21, 2010 regular meeting.

- Louis Vincent
312 North 33rd Circle

Re: Conveyed no opposition to the abatement process; however, he encouraged equal enforcement for all property owners. *(Note: Mr. Vincent did not have a property included within the proposed ordinance.)*

November 16, 2010 Regular Meeting

There being no other individual present to speak, Mayor Baker closed the public hearing.

Several members of the Board concurred that the matter be referred back to the Property Owners Appeal Board; however, Hutchings, seconded by Catsavis, moved adoption of the ordinance in its entirety. The motion included suspending the rule to allow the three (3) full readings of the ordinance to be by caption and for the readings to occur on the same date. The motion further included a provision to allow the removal of liens that have been paid since preparation of the ordinance. The City Clerk read the ordinance for its readings and the members present all voting affirmatively, the Mayor declared the motion carried and the ordinance was adopted and given No. 59-10.

Item No. 4 was an ordinance amending Ordinance No. 24-10 and setting the location and time for regular meetings of the Board of Directors for the year 2011

Settle, seconded by Catsavis, moved adoption of the ordinance. The motion included suspending the rule to allow the three (3) full readings of the ordinance to be by caption and for the readings to occur on the same date. The City Clerk read the ordinance for its readings and the members present all voting affirmatively, the Mayor declared the motion carried and the ordinance was adopted and given No. 60-10.

Item No. 5 was an ordinance amending Section 7-71 of the Fort Smith Municipal Code to decrease the number of members on the Oak Cemetery Commission

Director of Parks and Recreation Mike Alsup briefed the Board on the item. The Oak Cemetery Commission currently consists of eleven (11) members; however, the Oak Cemetery Commission recommends the number be decreased to nine (9). The purpose of such is because the larger number is simply not needed to make recommendations for

November 16, 2010 Regular Meeting

the operation and maintenance of the cemetery, which is an integral duty of the Oak Cemetery Commission. Such is a good time to consider the recommendation as two (2) existing members do not wish to be reappointed.

Campbell, seconded by Settle, moved adoption of the ordinance. The motion included suspending the rule to allow the three (3) full readings of the ordinance to be by caption and for the readings to occur on the same date. The City Clerk read the ordinance for its readings and the members present all voting affirmatively, the Mayor declared the motion carried and the ordinance was adopted and given No. 61-10.

The Consent Agenda (Item No. 6) was introduced for consideration, the items being as follows:

- A. Resolution appointing Acting City Administrator
- B. Ordinance declaring exceptional circumstance and authorizing continuation of agreement with Data-Tronics Corporation
- C. Resolution establishing tennis court usage fees for the Creekmore Park Tennis Center and superseding Resolution No. R-16-06
- D. Resolution authorizing partial payment to Crossland Heavy Contractors, Inc. for construction of the Lake Fort Smith Water Treatment Plant - Contract 3 (\$1,260,718.84)

Regarding Item No. 6B, Director Tyler requested staff review the feasibility of obtaining the necessary software to provide in-house data processing services for 2012.

Campbell, seconded by Catsavis, moved approval of all consent agenda items. The members present all voting affirmatively, the Mayor declared the motion carried and the ordinances and resolutions were adopted with the ordinances numbered 57-10 and 58-10 respectively and the resolutions numbered R-197-10 through R-200-10 respectively.

November 16, 2010 Regular Meeting

Mayor Campbell opened the Officials Forum with the following comments offered:

▶ Acting Administrator Gosack

Re: Reminded those in attendance of the retirement reception for City Clerk Cindy Remler. Such will be held on Thursday, November 18, 3:00 p.m. to 6:00 p.m. at the Fort Smith Convention Center. Formal presentations will occur at 4:30 p.m.

▶ Director Good

Re: Extended much appreciation to the Sanitation Department for the recent city-wide cleanup citing such has been an asset to the residents of Fort Smith.

The executive session was held and after reconvening, Mayor Baker announced the following appointment nominations:
