---

Attached you will find the bid tabulation for the purchase of a hydraulic excavator for use by the Street Department, Street Drainage Division (Program 5303). As indicated in the enclosed memorandum from Mr. Greg Riley, this excavator will be an addition to the Street Department fleet and will be used for drainage clearance and other projects.

Funding for this excavator has been budgeted for in the amount of \$130,000 in the 2017 Budget, Capital Outlay Program 5303-301.

I am recommending that the Board accept and approve the bid submitted by JA Riggs as noted by enclosure on the attached bid tabulation.

Please let me know if you should have any questions.

## Interoffice Memorandum

**TO:** Carl Geffken, City Administrator  
**FROM:** Greg Riley, Director of Street/Traffic Control  
**SUBJECT:** Excavator Purchase  
**DATE:** February 27, 2017

The street department budget for 2017 included the purchase of a 30,000 lb. Excavator with an estimated cost of \$130,000. This memo summarizes the bids and the proposed purchase.

The department decided to go with a purchase in lieu of continuing renting an excavator for 4 months every year. This will allow greater flexibility in schedules and the equipment can be used in other programs as needed. We have been spending about \$15,000 per year renting an excavator.

Bids were received and are summarized below.

JA Riggs	Caterpillar	313F	\$116,325.86	3 Week Delivery
Alma Tractor	Doosan	DX140LC-5	\$121,019.00	75 Day Delivery
JA Riggs	Caterpillar	311FRR	\$122,651.13	Aug 31 Delivery
Hug & Hall	Volvo	EC140EL	\$130,676.00	Aug 15 Delivery
Stribling Equipment	John Deere	130G	\$132,476.00	Immediate Delivery

We have looked at the low bid machine in person and it will meet our needs. We would like to continue with the purchase of this machine. Funds were budgeted and are available for the above purchase.
