Building Permit Application for the Moving of Structures

- (1) Application for a moving permit required by the provisions of this article must be made not less than 5 business days prior to moving a house or other structure. A written application shall be made to the building official and the application shall contain:
 - (a) Date and time of moving.
 - (b) Present location of structure.
 - (c) Proposed location of structure.
 - (d) Height, width and length of structure.
 - (e) The principal materials of the structure's walls, floors and roof.
 - (f) An estimate of the time required for the moving operations.
 - (g) The route over which the structure is proposed to be moved.
- (2) Route Map:
 - (a) Write out the proposed route below: Only within the City Limits of Fort Smith.

(b) Attach a Google or City of Fort Smith GIS map to show the proposed route for the move only within the City Limits of Fort Smith.:
