

RESOLUTION NO. R-156-18

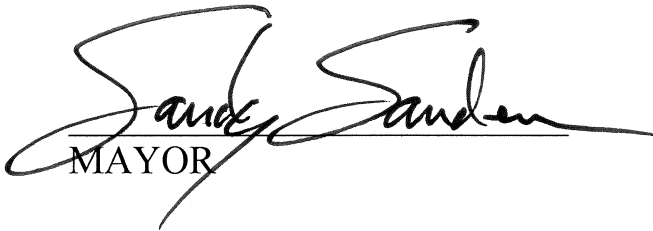

RESOLUTION ACCEPTING BID FOR THE PURCHASE OF A
TANDEM AXLE DUMP TRUCK

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE CITY
FORT SMITH, ARKANSAS, THAT:

The bid, as indicated by enclosure for the purchase of a tandem axle dump
truck from Carco International for \$94,708.05, is accepted.

This Resolution adopted this 16th day of October, 2018.

Interoffice Memorandum

TO: Carl Geffken, City Administrator
COPY TO: Jerry Walters, Director of Utilities
FROM: Alie Bahsoon, Purchasing Manager *AB*
SUBJECT: Purchase of Dump Truck
DATE: October 5, 2018
BID NO: 5611-531600

Bids were solicited for the purchase a tandem axle dump truck for use by the Sewer Line Maintenance Division of the City of Fort Smith Utility Department. The lowest and acceptable bid received was from Carco International in the amount of \$94,708.05.

Due to the Consent Decree mandates, the Sewer Line Maintenance Division (Program 5611) of the Utilities Department has budgeted \$134,733 for this purchase. As noted in the attached memorandum from Mr. Jimmie Johnson, this purchase is an addition to the Sewer Line Maintenance fleet.

I recommend that the bids noted by enclosure on the attached bid tabulation be accepted.

Please let me know should you have any questions.

Tabulation of Bids - City of Fort Smith
Tandem Axle Dump Truck – Bid #5611-531600

INTER-OFFICE MEMO

TO: Alie Bahsoon, Purchasing Manager **DATE:** October 10, 2018
FROM:  Jimmie B. Johnson, PE, Deputy Director of Systems
SUBJECT: Resolution Accepting Bid for the Purchase of a Tandem Axle Dump Truck

The Utility Department's sewer system maintenance capability includes the ability to repair and replace our existing sewer collection lines. The addition of this large dump truck will allow more efficient removal of spoil material at larger excavation sites. Carco International's bid of 94,708.05 is below the \$134,733.00 identified, for this purchase, in the 2018 Sewer Line Maintenance (5611) capital outlay budget.
