### What Extended Warranty is :

The agreement is between Deere & Company and the owners of select John Deere Construction and Forestry equipment, who purchase the Extended Warranty Plans for the desired coverage as indicated in this proposal.

### What Extended Warranty is not :

Extended Warranty is not insurance. See the actual product-specific Extended Warranty agreement for a complete listing of covered components, and limitations and conditions under the program.

### Features/Benefits:

- Extended Warranty includes the following features and benefits under the program :

- Payments are reimbursed directly to the dealership with no prepayment required by the contract holder.
