## MEMORANDUM

To: Jeff Dingman, Deputy City Administrator  
From: Dustin Bradshaw, Commercial and Industrial Manager  
Date: April 14, 2022  
Re: Commercial Front Loader Purchase

---

In accordance with the 2022 Solid Waste Services Capital Improvement Plan, the Department of Solid Waste is requesting to purchase a compressed natural gas (CNG) commercial front loader.

The requested purchase will be 2022 Crane Carrier chassis with a Labrie front loader body and will be obtained through Sourcewell's pricing index. This vehicle, if approved, will replace asset 78, a 2011 front loader.

The cost of this purchase is \$415,799.60. The board approved a purchase for this vehicle with a Heil body in the amount of \$452,298.29 on April 5<sup>th</sup>, 2022. We found this Labrie body, which is of equivalent quality, through Sourcewell's pricing at a savings of \$36,498.69 to the city.
